Hello,

Here are the updates on the needs in Kentucky. I spoke to Margaret yesterday about adding items to the list, because the items have changed due to recent tornado damage in London, KY(one of the locations we service). The items listed below are the ones I know are **not** going to change.

Feel free to decide whether to add these items to Oakwood's list. Here is what our contact person told us is needed:

Additional items to add: Bug spray and Gift Cards

Gift cards will make it easier to travel and will be given to trusted contact person/center for distribution.

Money can be donated to STAND to purchase gift cards (We can give tax donation receipts for cash, check, or credit card donations.)

If you want to purchase gift cards yourself make sure they are from Kroger, Walmart, Lowes in \$25-\$30 increments

If anyone has any questions, they can contact me.  
(248)330-8374, [standlindsay.23@gmail.com](mailto:standlindsay.23@gmail.com)

Thank you!
