Reflections about Balancing Chronos & Kairos:

- *Are you over-scheduling yourself or your family (Chronos)?*
- *How are you using God's gift of each new day (Chronos)?*
- *Are you dismissing God's gift of Kairos (the prompting of the Holy Spirit)?*

Accepting the Kairos moment:

- *If you are hearing these references for the first time (Chronos) and feel today is the perfect time to lay your burdens down (Kairos), then move forward and accept Jesus today!*
- *Or if you know someone that is searching for truth, yield to the Holy Spirit's prompting and talk to them about your faith or pray with them.*
